

Instructions:

1. Print a copy of this page.
2. Set a timer to 5 minutes.
3. Fill in as many characters as you can before the timer goes off. (**Don't** use a chart to help you!)
4. At the end of the 5 minutes, check your answers and fill in any characters you didn't remember.
5. Repeat the above steps until you can complete the chart in full with in the 5-minute timeframe.
